Travelling Trends will bring ladies clothes for all sizes and ages from late teen upwards. The clothes are from M&S including Per Una and Autograph ranges, John Lewis, Debenhams, Next, BHS, River Island, Dorothy Perkins, Monsoon, Wallis, Oasis to name a few. Occasionally they have a few designer brand names such as DKNY, Miss Sixty, Ted Baker etc. They have accessories such as bags, scarves and belts. All items are between 30% and 60% off, sometimes up to 80% off. Clothes start at £5.00 with an average price of £16/£18. It is surplus clothing so there is nothing wrong with the garments and they are always in season.

There will be a raffle and refreshments will be available so come and beat those January blues and raise money for some great causes in the process!

Our four charities are Cancer Research UK, Alzheimer's Disease International, RPS and our local one is The OLLIE Foundation. Cadbury have a particular interest in this one as it is the charity we put forward for nomination. The three founders live in St Albans and they lost their teenagers to suicide. They set up the charity to prevent any other parents from going through what they have suffered. They now raise money to be able to offer suicide intervention training to adults who work with young people. Every single penny we raise will help to make a massive difference.

If you're not able to come but would still like to support the night then we would welcome donations of wine for the bar or a prize for the raffle. Please contact Mrs Barron on the above email address to arrange.

Thank you for your support
